

News and Information for Members and Friends of the Unitarian Universalist Fellowship of Laramie

Programs for July, 2006

Summer Programs begin at 9:30 am unless otherwise stated.

July 2nd

No service planned. Have a safe 4th of July

July 9th

UUFL Member Lou Farley will lead an informal, interactive program this Sunday. He describes it as "the world as Mirror: seeing ourselves clearly in our perceptions of and interactions with others." Remember we begin at 9:30 a.m.

July 16th

Lisa Muller will be leading this Sunday's program "Yoga of the Heart". Yoga has been a part of Lisa's life for 30 years. This Sunday she will be sharing with us why it is such a significant part of her life and will lead us in some yoga meditations and exercises. Please be sure to dress in loose casual clothes since this will be an experiential workshop. Members can participate at whatever level they consider comfortable. Remember we begin at 9:30 a.m.

July 23rd "Coffee and Conversation"

We'll be open for all who come and want to visit over coffee and doughnuts. No specific topic of discussion except what those in attendance wish to informally discuss or we can just catch up on one another's summer activities. Doors open at 9:30 a.m.

July 30th

Longtime UUFL member Jeff Lockwood will lead a discussion around the topic: "A Heretical Discussion of Inherent Worth & Dignity: Do Unitarians REALLY Believe This?" Come join us for a lively morning. Remember we begin at 9:30 a.m.

Landscaping Update: We are looking at changing the landscaping around the Fellowship Building and have some plans we are in the process of finalizing. We want to add some trees, ornamental grasses, cut down on the size of the lawn with wood-chip mulch areas, add a bike rack and some large rocks. Our plan will take a couple of years to complete. If anyone has a source for large rocks or boulders and a way to transport them to the church, please contact either Madeline Dalrymple 721-4778 or Marian Erdelyi 742-0372. We are also looking for some strong backs and muscles to help with digging holes for trees; the use of a couple of pick-up trucks for hauling [free] woodchips; planting and putting down weed barrier. Also, if you know of anyone with a bike rack who would like to donate it to the cause, please let us know. If you would like to help, please get back to us! Thank you!

Reminders, etc...

A reminder to bring back a small sample of water from some significant event or place you visit this summer to use in our traditional Water Communion/Service this fall. You don't need much, a small spice bottle size is perfect.

Many thanks to those folks who came out and helped with our Adopt A Highway project in June. Workers included, Frank Bressler, Dan Birdsall, Linda Goldman, Robin Rawlings, Cameron Wright, Laura Miller, Mike Mann and soon -to- be - octogenarian, Sue Wedel!
Thanks one and all!
